

University of Glasgow Christian Union

Summer Prayer Letter

I Pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me. I have given them the glory that you gave me, that they may be one as we are one: I in them and you in me. May they be brought to complete unity to let the world know that you sent me and have loved them even as you have loved me.

John 17: 20-23

Glasgow Campus

First and foremost let us remember our mission field. The CU exists as a mission post for a campus that does not know or follow Jesus. Christ prayed that our unity with each other and with him would "let the world know" that he was sent from his father, with whom he has perfect unity. Therefore, as we pray for our fellowship and unity under the Christ head, let us pray that this in turn will allow us to share the light of Christ with our whole campus in the year to come.

Mission Teams

Please remember our brothers and sisters who are going on organized missions this summer. This year there is someone from the CU on every continent apart from South America and Antarctica. Let us remember everyone who has gone abroad and everyone who has remained to do missions across Scotland and the rest of the UK. May God's name be glorified in everything that they do.

Summer CU

Please pray for Summer CU which is running throughout the summer. People who are in Glasgow will be meeting up to pray and study God's word. Please pray that those who are involved would be blessed by this time together, and that they would be strengthened and built up in Christ. Those in Glasgow who are interested in attending please see the GUCU website for more details.

Fresher's Week

Fresher's week is the first week of the new academic year. The CU will be running events throughout the week in order to reach out to an influx of students new and old with the good news of Christ. Please pray that in everything we do to prepare for this week we would be prayerful and centered on Jesus mission. Pray for the people who will be leading the CU's Fresher's Week team, and pray for the events that they will be organizing. In order to get involved go to the GUCU website or contact Scott Hamilton.

Love Makes an impact

Every year hundreds of foreign internationals flock to Glasgow to attend the university. Love makes an impact is a program which attempts to welcome internationals with the love of Christ. Please pray for the people involved, and for the week, that it would go well. Pray that it would allow people to hear about and see the love God has for them, and through this, come to know and love him as their one and only saviour, master and friend. To get involved visit the GUCU website.

Glasgow Navigators

Navigators is an organisation which draws together students from all the Glasgow Universities and Colleges, in order to help them grow in their knowledge and love of Christ through Bible study, prayer and Fellowship. Navigators is not affiliated with the CU but let us pray for our brothers and sisters in Naves as we work along side them to take the good news of the gospel to our fellow students. Pray that throughout the next year, people within the Navigators would be built up as strong disciples of Christ, so that they may be ready to witness to the world.

House Party

House Party is the CU's weekend away. Please pray for the organisation of this weekend. Pray that the weekend would be a blessing to all those who go. Pray that it would build them up in fellowship with others in the CU as well as in their faith as we study through the book of Ruth.

Next Session

Pray for the year to come as we study through Ephesians, Jonah, 1 John, Haggai and more! Pray for our time together on a Wednesday night; that it would build us up in knowledge and fellowship so that we may be stronger witnesses of Christ Jesus on our Campus.

Dates

Love makes an impact
6th-11th sep

Fresher's Week
13th-17th Sep

House Party
5th-7th Nov

Missions Week
14th-18th Feb
